(J.J. Cale)  
Nowhere to run  
Nowhere to hide  
No way to relieve  
This feeling inside  
You done gave me them blues  
And then you took a ride  
Left me with nowhere to run  
Nowhere to hide  
Shame, oh shame  
On what you do  
Can't you see that  
I, I, I, been feeling so blue?  
Cast a spell on me  
Then you took a ride  
Left me with nowhere to run  
Nowhere to hide  
Pardon me  
If I sound so sad  
I can't get to you  
When I want you so bad  
You done gave me them blues  
Then you took a ride  
Left me with nowhere to run  
Nowhere to hide
