Taking one step forward and then two steps back  
It's back to square one  
Trying just so hard but everything you do just fails  
Isn't there another way?

My hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards  
But my hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards, out of sight

Fixing everything but it just falls apart  
Bitter irony  
Falling over and over again  
You've got to get ahold of yourself  
Isn't there another way?  
My hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards  
But my hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards, out of sight

Isn't there another way?

My hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards  
But my hands are tied  
And there's never gonna be a way  
Out this time  
I'm slipping backwards downwards, out of sight
