In a brand new place, brand new life
Brand new line between what's wrong and what's right
And now you're messing 'round with something new
What do you expect me to do? 'Cause you're

Playing with fire (Don't know what to do) Well you're
Playing with fire (You look like a fool) You're
Playing with fire (Don't know which way's up or down)
Don't come running to me when you hit the ground

From the farthest shores to the nearest seas

From the places you go 'till the people you meet
And now you're messing 'round with someone new
What do you expect me to do? 'Cause you're

Playing with fire (Don't know what to do) Well you're
Playing with fire (You look like a fool) You're
Playing with fire (Don't know which way's up or down)
Don't come running to me when you hit the ground
