"Rise Above"

There is no end
Just insanity
I just can't win
And get rid of vanity

I want to rise above
Paint my sky with gold
I want to rise above
Soon enough, I'll be gone

We can't tell how
The wind is gonna blow
We can just guess

But it leaves us feeling low

I can't pull life
When I'm running out of breath
But I can do fine
With what I got left

I want to rise above
Paint my sky with gold
I want to rise above
Soon enough, I'll be gone
