(Female Voice)

On a cold and lonely morning  
Rain clouds over my head  
Gloomy memories in mind  
No way seems to lead out  
Then suddenly a shine came through  
Rainbow high in the sky  
There he was dressed in blue  
I never had a doubt  
When i looked into angel's eyes  
My heart started burning  
When i looked into angel's eyes  
My mind got yearning  
When i looked into angel's eyes  
My heart started burning  
When i looked into angel's eyes  
The world began turning  
His black hair blowing in the wind  
Oh what a sunny smile  
He took me by the hand and he said  
Come with me to the stars  
Still today i thing about  
What happened on that day  
I never can forget his eyes  
For us their was no way
