[Jan Wayne]

from the first time that I met her

for the first time x9 [fade 2 loud]  
that i met her,  
even I, could never forget her,  
when she's smiling my direction,  
she just swept my heart away.

I was buring, with desire,  
then she smiled, and set me on fire,  
as i looked in to her dark eyes,  
then I new that she was mine.

[Female Voice]

More than a feeling  
more then my heart could reason,  
more than a feeling,  
out of the blue, it was such a surprise,  
more than a feeling,  
life found a brand new meaning,  
more than a feeling,  
out of the blue, it was such a surprise

More than a feeling  
more then my heart could reason,  
more than a feeling,  
out of the blue, it was such a surprise,  
more than a feeling,  
life found a brand new meaning,  
it was a natural high,

More than a feeling  
more then my heart could reason,  
more than a feeling,  
out of the blue, it was such a surprise,  
more than a feeling,  
life found a brand new meaning,  
it was a natural high,

[Jan Wayne]

never thought that x9 [fade to loud]  
I could find her,  
every time i had to recover,  
all the heart aches disalusion,  
only time can ment the pain.

now its over,  
were together,  
and im gonna, love you forever,  
all the feelings,  
and affections,  
multiplying in every way,
