What the hell are you waiting for?

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
Don't know what you're expecting of me
Put under the pressure of walking in your shoes

(Caught in the undertow just caught in the undertow)
Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)

And every second
And every second
And every second
And every second
And every second I waste is more than I can take
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

I've become so numb
I can't feel you there
All I want to do
Is be more like me

Can't you see that you're smothering me?
Holding too tightly, afraid to lose control
'Cause everything that you thought I would be
Has fallen apart right in front of you

(Caught in the undertow just caught in the undertow)
Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)
And every second I waste is more than I can take

I've become so numb I can't feel you there

Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

I've become so numb

What the hell are you waiting for?
