Looking for a window above  
it's like a story of love  
Can you hear me  
came back only yesterday  
we're moving further away  
won't you near me

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

padadadam (7x)

This is how we do it

padadadam (8x)

Sometimes when I think of your name  
And it's only a game  
Then I need you  
Listen to the words that you say  
Getting harder to stay  
When I see you

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

Can you hear me

bada bada badadadam badadadam badadadam(4x)

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

padadadam (7x)

Looking for a window above  
it's like a story of love  
Can you hear me  
came back only yesterday  
moving farder away  
won't you near me

All I needed was the love you game  
All I needed for another day  
And all I ever knew  
Only you
