(Jan Wayne)  
Shalalalala (2x)

We're walking on thin ice

(Female Voice)  
Mmh

(Jan Wayne)  
We better have to reach the higher grounds  
A light in the deep night  
We better have to go and ....

(Female Voice)  
Time to Fly  
No more rainy days inside your heart  
Time to Fly  
This Time we'll make it right - right from the start

(Jan Wayne)  
Shalalalala (3x)

(Female Voice)  
Here we go

(Jan Wayne)  
We're driving on small roads

(Female Voice)  
Mmh

(Jan Wayne)  
We better make sure for the next turnings  
This time it's a safe ride

(Female Voice)  
This time it's a safe ride

(Jan Wayne)  
We better have to drive and... (Echoes)

(Female Voice)  
Time to Fly  
No more chance for us to drift apart  
Time to Fly  
This Time we'll have no fight - have a real new start

We're gonna have a real new start  
This Time we'll make it right
