I was born by the river, in a little town.  
Ohh just like the river I been running every since.  
Its been a long, a long time coming, but I know a  
change gonna come.  
Its been too hard living but I'm afraid to die, cause I  
dont know what's up there beyond the sky.  
Its been a long, a long time coming but I know a  
change gonna come. oh yes it will.  
I go to the movie, and I go down town. Somebody  
keeps telling me dont you, dont you know you cant  
hang around.  
Its been a long, a long time coming, but I know a  
change gonna come.ohh ohh yes it will.  
Then I go to my brother, I say brother help me please.  
But he winds up knocking me down on my knees.ohhh  
ohhh.  
Then I go to my brother, I say brother help me  
please..but he winds up knocking me, knocking me  
down, down on my knees.ohh ohh  
There were time that I thought I could not last for long,  
but I think im able to carry on.  
Its been a long, a long time coming but I know a  
change gonna come.  
ohh yes it will. oh yes it will. a change gonna come
