I know I'll never say never
People running everywhere
They don't seem to care and then

Just like ole' Nebuchadnezzar
Goin' crazy raisin' cain
Tear the roof off can't explain

I'm glad we're in this together
Make a circle keep it strong
Had the power all along

We're all a part of forever
Let it go
We all will throw
Our hands up just to show

We're the same, the same, the same, the same
Now I can tell we've seen the last of the rain
Nothing to lose we're all gonna gain
Come along take a ride with me

Baby
So glad you came yeah you made it
A carousel spinning
Baby

Stayed in the game yeah we made it
Gonna keep it goin' round forever

We made a change in the weather
Now we know which way to turn
Moving free with no concern

In time we'll only get better
Let it go
We all will throw
Our hands up just to show

We're the same, the same, the same, the same
Now I can tell we've seen the last of the rain
Nothing to lose we're all gonna gain

Come along take a ride with me

Baby

So glad you came yeah you made it

A carousel spinning

Baby

Stayed in the game yeah we made it

Gonna keep it goin' round forever
