I've got blues for you baby
I've got blues all up and down
And when you come to see me
I'll be wearing a frown
I can't be happy
It's got so I don't wanna be
Just stay a little healthy
So I can keep these blues a long time
I got blues for you baby
Blues all up and down
And when you come to see me
I'll be wearing a frown
I can't be happy
It's got so I don't want to be
Just stay a little healthy
So I can keep these blues a long time
I got blues for you baby
Blues all up and down
