Just drifting down  
A morning town  
With stacks (slats?) of wood  
And chicken wire  
Took poaching egg  
A wedding cake  
Passed by the way  
I heard it say  
That you were mine  
And I was yours  
In that way  
We'll feel okay  
Then come with me  
And come and see, we'll go  
Another town come  
Dripping down  
And I'll get you  
A house so blue  
You'll wish you were  
With me some place  
Way far away again  
Into the mountains and valleys  
Of the night  
???  
Yeah, yeah, yeah, yeah, yeah  
You won't go buying maple wood  
???  
You tell me that you are free  
Well let's see  
What the season
