"Just Die"

Visit "[Just Die](#)" on MotoLyrics.com

Death comes knocking at your door
You don't have to go
Asking for
You don't have to go asking what for
It's not a question
Of yes or no
You just go, oh no
Yes
It's no, it's no use
It's no use asking them why
Just die
Regulation passing by
Frequently I have to sigh
Gonna go [2x]
Be a square
Rhomboid or trapezoid
I don't care [4x]
Here it comes
It's already there
Sit down and die
In your favorite chair
