[Jandek] Nothin's better than God
[woman] Nothing is better than God
[Jandek] God
[woman] I thank God, he's a real good friend of mine
[Jandek] God
[Jandek] The lord on Sunday
[Jandek] The lord on Monday, Tuesday, Wednesday
[Jandek] Thursday, Friday, Saturday
[woman] Oh why don't you let me be a little more like
you
[woman] I enjoy being better
[woman] But I guess you hear that lots of times
[Jandek] Nothin's better than God
[Jandek] God [13x]
[woman] It's only a song here
[woman] Aw, it's just a word
[woman] I would want to know you
[woman] If I really could
[woman] If I really could
[Jandek] God [3x]
[woman] Oh
[Jandek] Oh, no
[woman] I want to love you God
[woman] I want to know God
[woman] I want to love you God
[woman] I want to hear you
[woman] Is that wrong? Is that right?
[woman] I don't think there's anything, God
