[Jandek] Well that's the Spanish in me
[Jandek] That's the Spanish in me
[Jandek] Broke my neck until three
[Jandek] Started wonderin' why
[Jandek] I kept seein' the sky
[Jandek] Took a vacation, whoa
[Jandek] What a thunderin' blow
[Jandek] Blew me back from the sky
[Jandek] Broke my neck until four
[Jandek] Took a vacation, whoa
[Jandek] Sail away from the port
[Jandek] Somewhere floatin' down a river to Madrid
[Jandek] Cause that's the
[woman] The Spanish in me
[Jandek] Broke my neck until three
[woman] Broke my neck until four
[Jandek] Broke my neck until five
[woman] Somewhere out there floatin' on
[Jandek] On a river to Madrid, lookin' at the sky
[woman] Spanish in me [2x]
[Jandek] Spanish in me, that's the Spanish in me
[woman] That river to Madrid
[woman] That's the Spanish in me
[woman] That ??? Spanish in me
