Beachcombers in dozens  
On raging walls (?)  
Sun, salt, and sea  
Walkin' down the halls  
I'm wondering where  
The murdering town  
I'm beating a hundred  
From way down below  
There's a place you could call me  
Out in Ohio  
You're down in the numbers  
You're listed forty-five  
You heard and you answered  
"I'm not dead, I'm alive"  
You'll walk on a tightrope  
Wear the suit of a clown  
You rear back in anger  
Don't forget there's no answer  
Watch your feet and where they're goin'  
Don't forget you're a dancer
