"Close To You"

You look just like I expected you would
Absolute knock-out, knock-down
I'm dead
I'm crawling at the feet of you
I'm on the floor
And I like bein' here
Hello, your feet, hello
I'm, I'm at your feet
[laughs]
You're havin' a good time, too
You know, it's only a funny thing that we're doing
But it tells each other that
Somethin' real is here, and
It's just so nice
To be with you
Oh, my beloved
There's nobody else on my mind

Just you
Let's see how it works out
If there's any time you want to look at the exit door
Go ahead and do it
I'm... prepared for all that
I... I've been around
But I didn't see you anyplace else
And I'm so glad that I can see you here now, and
You wanna stay, it's okay
I want to be close to you
