(Jandek and woman's parts are simultaneous, not sequential)

Jandek:

You know

Up at the house

The house up on the hill

You can drink your fill

I'm going to the house

Up to the house

Up on the hill

I can drink my fill

La la la la la la...

The house up on the hill

I'm going up to the house

Up to the house

Up on the hill

Hill hill hill hill hill...

The house up on the hill

It's getting mighty full [2x]

Has seen so many days

It's seen a lot of days

And it ain't making hay

The house up on the hill [5x]

It's painted darkest black

The windows are all broken

And you can't get in the back door

The back door

The house up on the hill

woman:

Let's go to the water

To the water

Let's go

Let's leave for the moon

Come on

And we're going

To the water

And we're going

To the moon

Let's go

I can't wait

For the water

Can't wait [2x]
For the moon
Oh, hurry up
