I was a king  
When I was twelve  
You couldn't touch me  
No, no, no, no  
I kept you away  
I didn't think about it  
It wasn't important  
I was made  
Get out of my way  
But I liked (like?) to be with you  
Don't get me wrong  
It's just that a threat  
Was the furthest thing from my mind  
I don't feel the air  
I don't know what time it is  
Except the sun tells me now and then  
I got my clubs  
And I'm bursting all around  
You can't but see me  
I'm in front of you  
I'm all around  
I got inside of you  
Well here I am  
What you going to do

I somehow flew here  
And we're together  
I was a king  
When I was twelve  
You couldn't touch me  
No, no, no, no  
I kept you away  
But I was with you  
I still am  
Today my thoughts are wrapped up  
In all my days  
I got my new doors  
So perfect and clean  
It's early someday  
I'm thinking about me  
And how I was
