Death comes knocking at your door  
You don't have to go  
Asking for  
You don't have to go asking what for  
It's not a question  
Of yes or no  
You just go, oh no  
Yes  
It's no, it's no use  
It's no use asking them why  
Just die  
Regulation passing by  
Frequently I have to sigh  
Gonna go [2x]

Be a square  
Rhomboid or trapezoid  
I don't care [4x]  
Here it comes  
It's already there  
Sit down and die  
In your favorite chair
