"Take Me Away With You"

I'm breakin' my life in two
I'm breakin' my life for you
Dancin' in circles I'm calling ??? through
Fly away, fly away
Take me, take me away with you
Fallin' the clouds are misty blue
Come on downstairs I'm fallin' nowhere
Please help me through
There are circles of mystery fallin' all around me
Fallin' all around me
I can feel them, I can touch them, I can see
I can see the mystery
And if you see me walkin' down the street
Don't sigh at me, don't sigh, don't sigh at me
Just let me be

Inside of you
Tired of playin all those dark games
Playin', playin', playin
Sayin' what's not meant to be for me
Flesh, flesh and bone
???
???
Oh the mystery
