I wasn't making sense, ???  
Some of us are making ???  
Some of us ???  
Caught between the lies  
???  
??? deeper blue, a lighter hue  
I wish I could learn  
I wish I would burn my ???  
I'm walking away  
Into a new day  
I'm walking around  
'Cause the towers of Babylon  
Have fallen down  
???  
Fallen down  
???

I can feel dust  
I can feel its ugly touch  
I'm going away  
I'm going away  
Going away  
To the day  
You can't call it Monday  
You can't call it Friday  
You can't call it anything at all
