You're going to like me again
I know it
I sure hope it
But I know you're gonna like me again
I'll be like
Putty in your hands
However
Even though I can be anything to you
I'm a rock
That doesn't change
Somewhere in, you know that
And that's what you like about me
I'm a rock
And I'm not gonna change for nobody
No thing
Because it's all about God
It's all about God, and
That's really where I am, but I'm
Sure leading a physical life here
And I'm perfectly happy to give it all to you
Unconditional, unconditional
I'll be what you want
I'll accept everything that you are, and...
But I'll ask you to change
According to my standards
And I will change for you, too
I know you have standards, also
It's kind of normal and natural
Wouldn't you agree
Yeah, you would agree, I'm sure, but
Listen
I'm gonna see you, and
We're go-ahh "fçâ, -" we're gonna work all that out
That ain't really nothin' to worry about
I... I hope you're...
Happy, the next time I see you
As you were the last time I saw you, and
Guess what
I think you will be so happy
You won't even remember the last time
And it won't be important
Because

You got me in a new way
Which beats the old way
Guess what
It ain't gonna change every single day
We start up
When we get out of bed
I'm gonna be stronger, and
You're gonna like me more, but
That's okay, because
I'm gonna like you more, too
