When I wake up in the morning it is the end of a day
When I look into the faces tell me what we have to say
Everybody talks around me that we have to play this
game
When I wake up in the morning it is the end of a day
Tell me why!

So I sit here hope to sleep
Try to find another way
When I wake up in the morning it is the end of a day
Everybody talks around me that we have to play this
game
When I wake up in the morning it is the end of a day

INSTRUMENTAL BREAK

So lay down try to die
The story movie cut to strength
If there is another morning
I am like I am spring"
