THESE DAYS

Come tomorrow I'll be gone
And all I that I believed
Will be the dream I leaned upon
And in the calling on the wind
I somehow passed the point of no return and watched it
all blow in again

CHORUS

These days
Stay on my mind
These ways
Are only mine
And we'll say it's just to pass the time away
It's just a lonely day (repeat)

And as your castle crumples down
You will recall the stony walls and how they held
Your secret crown
And in the silence of the dream

The face of shame which has no name
Is all I call
To comfort me

CHORUS

These days
Stay on my mind
These ways
Are only mine
And we'll say it's just to pass the time away
It's just a lonely day (repeat)

Crossfire of dreams and demons
Leaves me to explain
There is only ever reason

There can only be

Chorus
