"In Every Dream Home A Heartache"

In every dream home a heartache / And every step I
take / Takes me further from heaven / Is there a
heaven? / I'd like to think so / Standards of living /
They're rising daily / But home oh sweet home / It's
only a saying / From bell push to faucet / In smart town
apartment / The cottage is pretty / The main house a
palace / Penthouse perfection / But what goes on /
What to do there / Better pray there / Open plan living /
Bungalow ranch style / All of its comforts / Seem so
essential / I bought you mail order / My plain wrapper
baby / Your skin is like vinyl / The perfect companion /
You float in my new pool / De luxe and delightful /
Inflatable doll / My role is to serve you / Disposable
darling / Can't throw you away now / Immortal and life
size / My breath is inside you / I'll dress you up daily /
And keep you till death sighs / Inflatable doll / Lover
ungrateful / I blew up your body / But you blew my mind
/ Oh Those Heartaches / Dreamhome Heartaches
