I did not sleep a wink last night,
I kept tossing and turning for you
I tried to getcha on the line, it just kept ringing, What
else could I do
Last night we just had a bad connection,
Last night boy, my heart could not get through
Let me make a long-distance correction
Baby I would never be untrue

And I've been Calling, Calling
And you're more than a touch away
Calling, Calling, oh love is on the line this evening,
baby

Out of sight, not out of mind,
boy this distance is killing me too
Was it once upon a time I was sharing my whole life
with you
There's just so many things I want to tell to ya,
There's just so many things I need to say
Honey, I can't get to nothing since I fell for ya
So pick up and sweet-talk my blues away

And I've been Calling, Calling
And you're more than a touch away
Calling, Calling, oh love is on the line this evening,
baby

Oh I know I should have called you
in the morning cause it's late
But this could hardly wait
Oh, I wanted so much just to hear the one and only
voice
I did not have a choice
Oh, I could have sent this message to you in a letter,
boy
But this was better, boy
Oh, And what I'm hearing now
is telling me you're not at home
Oh please pick up the phone now baby
