Flowing, as mighty river she is flowing
Flowing, from heaven earthbound she is flowing

Streaming, as inspiration she is streaming
Streaming, over creation she is streaming

Guru Brahma, Guru Vishnu
Guru Devo, Maheshwaraha
Guru Shakshaat, Parum Brahma
Tasmai Sri Gurave Namah

On a distant shore, Goddess I await
Bound by mortal weakness, hesitating

On the other side, Dharma beckons strong
Promising Nirvana, I am calling

Will you rain down on me Sarasvati
Pour it down on me Sarasvati
Let it rain down Sarasvati
Let it rain down on me Sarasvati

Yearning, in tortured slumbers I am yearning
Thirsting, sensuous desert I am thirsting

Yearning, nebulous, naked, I am yearning
Thirsting, an infant barren, I am thirsting

Dohaa Sri Guru Charana Saroja Raja
Nija Mana Mukari Sudharri
Baranum Raghubara Bimila Jasu
Jo Dhaayaka Fala Chaari

Alabaster moon, incandescent power, Kunda flower
She is white as snow, gleaming, pure, Divine
Ivory ascending, I am calling

Will you rain down on me Sarasvati
Will you guide me Sarasvati
Let it rain down Sarasvati
