Your lips are moving darling
I know your saying something
Its revolutionary
But Im not listening honey
Casual conversation
Im going through the motions
Inside Im dieing baby
I think Im going crazy
The judges nudge each other

Their conscious responding

Every second that Im hear
Every second on the edge
Every second I could blow

Smash you a thousand pieces

And gave it all away
Would you say I was crazy?
Would have let a minute
Would you embrace me darling?
Or turn and runaway
[Music]
Shh
I try to tell myself
No
I mustnt let it show
Gotta keep control
Shh
I try to tell my self
Oh
I m
