Sure do miss you babe

You know it's been a while

Way too long, since you been gone

I'm almost out of style

You treat me kind and gentle

You're always on my mind

A love that's true, I keep for you

Until the end of time

Someday you've got to come back

Stay with me a while

I'll take some time, to make you mine

And keep you out of style
