You're falling on broken words,  
And I am here to pick up the pieces,  
I know you dont believe,  
just close your eyes and you'll see us (ahh ahh)

I'll always have you in my thoughts,  
I'll be at the place you are at,  
And i'll lift up my hands,  
to my breath...  
Chorus

And Cross my heart..hope to die  
I will never make you cry,  
Cross my heart and hope to die,  
i will never tell you lies  
and when you're all alone tonight,  
i'll be the brightest star,  
i'll be your light cross my heart

Cross my heart..hope to die  
I will never make you cry,  
Cross my heart, hope to die,  
i will never tell you lies  
and when you're all alone tonight,  
i'll be the brightest star,  
i'll be your light cross my heart
