I get lost in your eyes  
TheyÂ're like fields of dreams  
And theyÂ're calling me

They pull me in  
Give me peace of mind  
My own place in time

When IÂ'm with you  
ThereÂ's no other around  
When I hear your voice  
ItÂ's the only sound  
When itÂ's the two of us  
WeÂ're in our own little world

:kerto::chorus:  
In our own little world  
We can be who we want to be  
In our own little world  
We can laugh and we can be free  
In our own little world  
We will live on forever baby  
In our own little world  
Com with me tonight

I disappear into your arms  
TheyÂ're always waiting  
My safe haven  
They hold me strong  
And like a firm belief  
Always remain with me

When IÂ'm with you  
ThereÂ's no other around  
When I hear your voice  
ItÂ's the only sound  
When itÂ's the two of us  
WeÂ're in our own little world

:kerto::chorus:

Hold me closely

Feel one heartbeat
