When the dial tones are buzzing  
My heart starts pumping, hold on, hold on  
When I hear the phone ringing  
Just waiting for your voice to come on, come on

But when the line is busy and my ear gets so hot  
I can't stand to but the waiting is not  
You say you put me through  
But you keep me holding on for so long, so long

And I say ooh, ooh, ooh

I'm on hold for you  
(I hear that music playing)  
I keep pushing number one and two  
(Still that music's playing)

Operator just put me through  
(I hear that music)  
For an hour or two on hold for you

I'm on hold for you  
(I hear that music playing)  
I keep pushing number one and two  
(Still that music's playing)

Operator just put me through  
(I hear that music)  
For an hour or two on hold for you

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
For an hour or two, on hold for you

I'm on hold for you  
(I hear that music playing)  
I keep pushing number one and two  
(Still that music's playing)

Operator just put me through  
(I hear that music)

For an hour or two on hold for you

I'm on hold for you  
(I hear that music playing)  
I keep pushing number one and two  
(Still that music's playing)

Operator just put me through  
(I hear that music)  
For an hour or two on hold for you
