I ran around
With my own little crowd
The usual laughs
Not often but loud
And in the world that I knew
I didn't know about you

Chasing after the ring
On the merry-go-round
Just taking my fun
Where it could be found
And yet what else could I do?
I didn't know about you

Darling, now I know
I had the loneliest yesterday
Every day
In your arms, I know
For once in my life
I'm living

Had a good time
Every time I went out
Romance was a thing
I kidded about
How could I know about love?
I didn't know about you

Darling, now I know
I had the loneliest yesterday
Every day
In your arms, I know
For once in my life
I'm living

You should know
As well as I
Our love deserves
Another try
For you whispered goodbye
All too soon
