The poets say that all who love are blind
Well I'm in love and I know what time it is
The good books say go seek and ye shall find
Well I have sought and my what a climb it is
My life is just like the weather it changes with the hour
When he's near I'm fair and warmer
When he is gone I'm cloudy with showers
Any motion like the ocean
It's either sink or swim
When a woman loves a man like I love him

Never treats me sweet and gentle the way he should
I got it bad and that ain't good

My poor heart is sentimental
Not made of wood
I got it bad and that ain't good

But when the weekend's over
And Monday rolls around
I end up like I start out
Just crying my heart out

He don't love me like I love nobody could
I got it bad and that ain't good

The folks with good intentions
Tell me to save my tears
I'm glad I'm mad about him
I can't live without him

Lord above me, make him love me
The way he should
I got it bad and that ain't good
