I've had bad dreams too many times  
To think that they don't mean much anymore  
Fine times have gone, and left my sad home  
Friends who once cared just walked out my door

Love has no pride when I call out your name  
Love has no pride when there's no one left to blame  
I'd give anything to see you again

I've been alone too many times  
To think that you could come back again  
I've heard you talk-"She's crazy to stay"..  
But this love hurts me so, I don't care what you say  
Love has no pride

If I could buy your love  
I'd truly try it, my friend  
And if I could pray, then my prayers would never end  
But if you want me to beg, I'll go down on my knees  
Asking for you to come back  
I'd be pleading for you to come back  
Just begging for you to come back to me

Love has no pride..  
Oh, I'd give anything to see you again
