Someday I'll wish upon an star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

When all the world is a hopeless jumble  
And the raindrops tumble to the ground  
Heaven opens a magic lane  
When all the clouds darken up the skyway  
There's a rainbow highway to be found  
Leading from your window pane  
To a place behind the sun  
Just step beyond the rain

Somewhre over the rainbow way up high  
There's a land that I heard of once in a lullaby  
Somewhere over the rainbow skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star  
And wake up whre the clouds are far behind me  
Where troubles melt like lemon drops away  
Above the chimney tops that's where you'll find me

Somewhere over the rainbow bluebirds fly  
Birds fly over the rainbow, why then, oh why can't I?

If happy little bluebirds fly beyond the rainbow  
Why oh why can't I?  
Why oh why can't I?
