Feat. Roger Williams

Two different worlds
We live in two different worlds

For we've been told
That a love like ours
Could never be

So far apart
They say we're so far apart
And that we haven't the right
To change our destiny

When will they learn
That a heart doesn't draw a line
Nothing matters if I am yours
And you are mine

Two different worlds
We live in two different worlds
But we will show them as
We walk together in the sun
That our two different worlds are one
