THAT'S ALL I WANT FROM YOU
Jaye P. Morgan

A little love that slowly grows and grows
Not one that comes and goes
That's all I want from you

A sunny day with bolts up to the sky
A kiss and no goodbye
That's all I want from you

Don't let me down, Oh show me that you care
Remember when you give, You also get your share
Don't let me down, I have no time to waste
Tomorrow might not come, When dreamers dream too late

A little love that slowly grows and grows
Not one that comes and goes
That's all I want from you

Music interlude

Don't let me down, Oh show me that you care
Remember when you give, You also get your share
Don't let me down, I have no time to waste
Tomorrow might not come, When dreamers dream too late

Repeat first verse

That's all I want from you
