Would you believe me if I said that you're the one?  
That I've been waitin' for, for so long?  
And I've sailed my ship 'cross some stormy seas  
Looking for my love while my love waits for me

Ah, but what darkness  
In the hearts of men  
Goodbye sweet Pumpkinhead

Would you believe me if I said that you're the one?  
That I've been waitin' for, for so long?  
And I, and I've pushed you away and I've pulled you  
down  
But here you still are, your love is so strong

Oh, let us stay  
Oh, let us say

Would you believe me if I said that you're the one?  
That I've been waiting for, for so long?  
And I've sailed my ship 'cross some stormy seas  
Looking for my love, looking for my love  
While my love waits for me
