At first I was afraid I was petrified  
Kept thinkin' I could never live without you by my side  
But then I spent so many nights  
Thinkin' how you did me wrong  
And I grew strong  
And I learned how to get along

So now you're back from outer space  
I just walked in to find you here  
With that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'd've known for just one second  
You'd be back to bother me

Go on now go, walk out the door  
Just turn around now  
( 'cause) you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die?  
Oh no, not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
I've got all my love to give  
I will survive  
I will survive  
Hey hey  
It took all the strength I had not to fall apart  
Kept trying' hard to mend the pieces of my broken  
heart  
And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high  
And you see me  
Somebody new  
I'm not that chained up little person  
Still in love with you  
And so you feel like droppin' in

And just expect me to be free  
Now I'm savin' all my lovin'  
For someone who's lovin' me

Go on now go, walk out the door  
Just turn around now  
( 'cause) you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die?  
Oh no, not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
I've got all my love to give  
I will survive  
I will survive  
Hey hey
