Ho ro, mo nigh'n donn bhoidheach,
Hi ri, mo nigh'n donn bhoidhech
Mo chaileag laghach, bhoidheach,
Cha phos mi ach tu.

Her eye so mildly beaming,
Her look so frank and free,
In waking or in dreaming,
Is evermore with me.

Ho ro, mo nigh'n donn bhoidheach,
Hi ri, mo nigh'n donn bhoidhech
Mo chaileag laghach, bhoidheach,
Cha phos mi ach tu.

With thy fair face before me
How sweetly flew the hour
When all thy beauty o'er me
Came streaming in its power.

Ho ro, mo nigh'n donn bhoidheach,
Hi ri, mo nigh'n donn bhoidhech
Mo chaileag laghach, bhoidheach,
Cha phos mi ach tu.

Ho ro, mo nigh'n donn bhoidheach,
Hi ri, mo nigh'n donn bhoidhech.

And when with blossoms laden
(Bright) Summer comes again
I'll fetch my nut brown maiden
(Down) From the bonny glen.

Ho ro, mo nigh'n donn bhoidheach,
Hi ri, mo nigh'n donn bhoidhech
Mo chaileag laghach, bhoidheach,
Cha phos mi ach tu.
