## "See The Child"

Visit "[See The Child](#)" on MotoLyrics.com

A child was lost at sea today  
Afloat on an ice floe  
They floated away  
A white cloud  
A carpet  
A white sleigh

See the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the blue sky  
Behind the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the blue sky  
Behind the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the sun up  
High in the sky  
Behind the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the sun up  
High in the sky  
Behind the yellow dress  
On the child  
That chases the dog  
That jumps for the butterfly  
Yeah, yeah

See the grass growin'  
Up to the bright sun up  
High in the blue sky  
Behind the yellow dress  
On the child  
That chases the dog  
That leaps for his happiness

See the grasses growin' taller and taller and  
Taller and taller and taller and taller  
Until you cannot find the child that  
Chases the dog that  
Chases the dog that  
Where is the child that?  
Where is the child that?

And they say it was a, it was a yellow sun  
And it was a blue sky  
And it was a sweet child  
And it was a happy dog  
And the grass was a growin'  
And the bees were a buzzin'  
And through all this  
The butterfly simply flies  
Simply flies

It's the pull of life  
It's the pull of life  
It's the pull of life  
It's the pull of life  
Pull of life  
Pull of life  
Pull of life

Humble bee, humble bye  
Humble dog, humble child  
Humble grass, humble sky  
Humble me, humble my  
Humble earth's lullaby  
Earth's lullaby, earth's lullaby  
Lullaby, lullaby

Ohh, how time flies by  
How time flies by  
How time flies by

A child was lost at sea today  
Afloat on an ice floe  
They floated away  
No one in the village will leave these shores  
Until the child is safe once more  
So if you see that child in someone's eyes  
Bring us home
