And when I die...
And when I die...

Surry down to the stoned soul picnic...
Surry down.
Surry down to the stoned soul picnic....
Surry down.

And when I die and when I'm gone, there will be one
child born,
To carry on
(Eli's comin', hide your heart, girl...)

Surry down to the stoned soul picnic...
Surry down.
Surry down to the stoned soul picnic....
Surry down.

And when I die and when I'm gone, there will be one
child born,
To carry on
(Eli's comin', hide your heart, girl...)

I was the one came running when you were lonely
I haven't lived one day not loving you only

Love won't carry me 'til you marry me

And when I die...
Surry down to a stoned soul picnic.
Can you surry, can you picnic?
Surry down...
