Hey man  
Where did you go  
Thought I but I guess I don't know you  
I gave it my heart  
You loved to take it apart

Hey man  
What did you do  
Walked away, we weren't through  
Last time was a fake shaking hand  
Now I think it must be said

Hey man  
Can't be everybodys friend  
Hey man  
Can't be everybodys friend

Men of peace

Men of war  
Tell me who knows more  
People gather in that by the world  
I think we should meet up again

I...

Hey man  
Can't be everybodys friend  
Ain't no way man  
To be everybodys friend
