Jane's Addiction - I'll Hit You Back  
Track 5 from The Great Escape Artist (October 2011)

Next time  
I'll have somewhere else  
to be,  
I'm running away  
from you....  
can't take  
being besieged.

Knowing that I got some scar on you  
Knowing that I held the ground to you

I'm trying  
Just to see  
the bigger picture, oh  
Be the bigge rman  
don't hit first, resist attack  
But know  
I'll hit you back

Knowing that I got some scar on you  
Knowing that I held the ground to you

Knowing that I knocked you down  
Knowing that I let my tongue go  
I aimed and I let my rounds out  
..on you!

Do I have to be the bigger man?  
Always the better man?

Forget that!  
Forget that!  
Forget that!

I wanna hot you back - ooh  
Hit you back, yeah!  
Hit you back - oh  
Hit you back, yeah!  
Hit you back..

Knowing that I got some scar on you  
Knowing that I held the ground to you

Knowing that I knocked you down  
Knowing that I let my tongue go  
I aimed and I let my rounds out  
..on you!
