All I can say is that the Velvet Underground is great
When Iâ€™m sittin' watching puddles gather rain
And all I can do is just pour some tea for two and
Maybe even speak my point of view but it's not sane
Nooooh
Itâ€™s not sane
I just want someone to say to me maybe oh ho oh ho
I'll always be there when you wake
Yeah ha
You know I like to keep my cheeks dry today
So stay with me and I'll have it made
And I don't understand why I sleep all day
And don't ya know that I start to complain when
thereâ€™s no rain
And all I can do is read a book to stay awake and every
day
It rips a little of my life away but itâ€™s a great escape
(and everyday we need it!)
Escape...escape...escape

Yeah
Ah aha ha
