Yeah, yeah
Yeah, yeah
Yeah
You were smiling by my table
Had to call up everyone that day
Beautiful mind and body
What a happy image i see
My mind had been enabled
In the memory you overflow
Wanna be your super hero
Even if i tumble fall

I'm ok
You have that affect on me
But i need you desperatly
You know i need you desperatly

Brick stone
Cannot hurt me
Mad man
Around the city goes
They attack
I bring 'em down
Or make thier chances
Super low
My, my pretty navel
Dimple cheek,
Her face i adore
Wanna be your super hero
Falling from a running horse

I'm ok
You have that affect on me
But i need you desperatly
You know i need you desperatly

I halted that illusion
I'm not your average guy

Other guys
They won't dare to
Join the line

And order you back
When i introduce me to you
My face had turned to super red
Your steady
Beck and call boy
Playing on piano
Wanna be your super hero
I'm not afraid to tumble or...

I'm ok
Cause you have that affect on me
But i need you desperately
You know i need you desperately
I'm ok
You have that affect on me
But i need you desperatly
You know i need you desperatly

I wanna be your super hero
Baby i wanna be your super hero

Yeah
Oh yeah
Oh yeah
