Sit with me now  
We'll watch the dusk  
Sun falling on(sun falling on)  
The two of us  
Lets set our hearts  
To match the sun  
We're right on time  
Here it comes

Oh! yeah! Oh!

Yeah, count down starting now  
Coming to a sweet end  
Aim my messy h\*\*d strong  
I'm going fast and furious  
Curious don't  
Kill us before we've  
Thrown  
Our arms out

Let set our hearts  
To match the sun  
When it goes down  
For keeping sake  
A sign for our time  
So we both know, oh!

Oh! Yeah! Oh!

In the wind I wander  
I don't know where i'll end up  
Do what i can to get home  
Right there baby  
There between the twilight  
Finish the day into night  
When we'll meet up again

Lets set our hearts  
To match the sun  
When it goes down  
For keeping sake  
A sign for all time

So we both know, oh!

Yeah!

Give and my name and dress you up  
Use it to us express us  
Make us at the same time  
And then you claim me as your prince and my princess  
Stretch out our royal mind  
It grows longer

Knowing the will sun set our time  
And knowing your heart beats close to mine  
From where we are  
When you see our mark  
Signing our name  
All across the colored sky  
Just a time to match the sun  
Just a time to match the sun
